

## **JAVA DEVELOPER (M/F)**

★ Luxfactory is an Economic Advisor and Innovation Partner for startups, SME and big companies. For more than 25 years now, we have been improving our offer to meet the market best standards. Luxfactory is also specialized in digitalization. As a certified Fit4digital consultant by Luxinnovation, we offer SME audits granted by Luxinnovation. Luxfactory is also IT consultants' provider and IT material reseller, new or second-hand in the framework of circular economy. Luxfactory is a major actor of innovation in Luxembourg: as an incubator, we have been able to host high potential startups to help them grow through 4 programs and Luxfactory is every year official organizer of the Luxembourg National Pavilion at the Consumer Electronics Show in Las Vegas ★

For our customer, based in Luxembourg we are looking for a **Java Developer (M/F)**.

### **Your tasks**

- Analysis, development and maintenance of tailor-made solutions
- Participate and contribute to each step of a project (scope definition, planning, requirements analysis, design, development, documentation and unit testing)
- Working on strategic projects with milestones, deliverables and deadlines
- You will be an integral part of a development team
- You will work with the team to ensure a high level of quality and satisfaction

### **Your profile**

- You have a university degree in computer science
- Experience in banking and/or insurance environment
- More than 5 years' experience in programming Full-stack
- Proficiency in Angular and JAVA
- Familiar with Spring and Docker
- Knowledge of KAFKA or DevOps methodologies would be considered as an asset
- Excellent communication, written and presentation skills in French and English
